

Delivery Support Driver

Address hunger, meet needs and inspire hope! Feast of Justice is looking for a dedicated and mission-focused individual to assist with accessing food from local retail donors to be used in our food pantry programs.

About Us: Feast of Justice is a nonprofit organization located in lower Northeast Philadelphia that serves families who are food insecure through our choice-model food pantry programs. We receive and distribute over 20,000lb of food that goes to nearly 600 families each week. We have two locations: one in Mayfair and one in Oxford Circle.

Tasks: Pickup donated food from a prescribed route of 1-4 stores/donors each day.

As a part of our Inventory team, the driver works with the Leadership Team to access food from a local retail rescue program. The driver must interact with the public to ensure the correct paperwork is completed at each site. The driver must pick up the Sprinter van at our Tyson location and drive it on a prescribed route. The driver loads the donation into the van securely, drives it to one of the Feast of Justice locations, and unloads it. The driver helps to process the donation once back at Feast of Justice.

Qualifications/Skills:

- Clean driving record
- Ability to pass a background check
- Comfortable with using additional equipment, such as pallet jacks, hand trucks, and dollies, as needed
- Ability to lift up to 50lb
- Excellent communication skills
- Punctuality/reliability
- Comfortable with basic math and written reports
- Experience with a delivery van/refrigerated van is a plus
- Willingness to become Food Safety certified

Hours: Monday and Thursday 9am-11am; Tuesday and Friday 9am-1pm, with room for growth.

Pay Rate: starts at \$13.50/hr

If interested, please send an email with a cover letter and your job history to hiring@feastofjustice.org with the subject line "Delivery Support Driver".
